## Bryan's House Children and Woodall Foundation Supporters get into the "Big Top" and experience the Greatest Show On Earth!

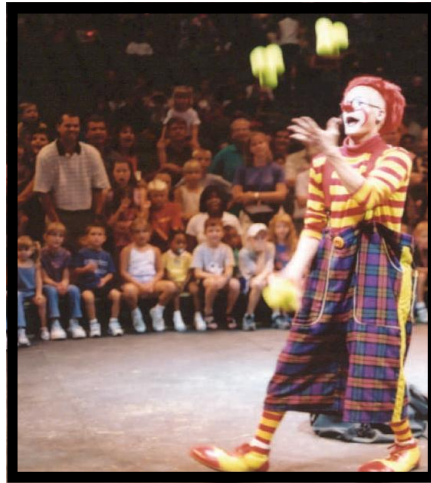

*"Ladies and gentlemen, boys and girls, welcome to the Greatest Show on Earth"*

And what a show it was on August, 11 2001, when the **Woodall Foundation** took 50 children from Bryan's House to the circus.

Along with the tickets, all of the children were given a special gift, Dallas Mavericks baseball caps from founder Martin Woodall.

The children and their chaperones arrived in plenty of time to enjoy the pre-circus event. Clowns and acrobats juggled, danced, twirled and wiggled their way into the hearts of children and adults alike.

For many it was a second or third time to go to a circus. But for others it was the first time in their life. Eyes fixed and wide on every movement in the 3 rings. Courageous

*Just one of the many clowns who performed at the Circus on Saturday August 11th*

acts of bravery with wild exotic animals, graceful acrobatic movements and teetering balancing acts. All making for a very "special" day at the circus for the wonderful children of Bryan's House.

The children were not the only ones treated on Saturday. At a later performance that night, the **Woodall Foundation** hosted a cocktail party for it's supporters in the Old # 7 Bar at the American Airlines Center.

Despite a rainy beginning, guest and their families dined on hors d'oeuvres, before embarking on a private tour of the facility.

*(tours for the general public don't start until September 15th)*

Surprisingly enough, we had quite a few adults who had also never been to a circus. Their eyes were as wide and awe-struck as the kids from Bryan's House.

We hope everyone enjoyed the circus as much as we enjoyed being there with you. Many thanks to Dave Brown and everyone at AAC that helped make this event possible.

### Supporter's Hearts come BIG and small

*self-less Having, exhibiting, or motivated by no concern for oneself; unselfish.*

This definition is sometimes never more clearly seen that through the eyes of a child.

On Saturday August, 18 Victoria Morgan McKay celebrated her 8th birthday with a party of family and friends. Instead of a long list of toys and clothes for herself, Victoria requested that everyone bring an item from the Bryan's House Wish List. Toys, clothing,

baby items and school supplies were brought to the party totaling over \$400.

*"Victoria is very conscience of children and people in need, she wants to know,,, why?"*

Jacqueline and Walt McKay are both very proud of their 8 year old and her very grown-up attitude.

Wouldn't the world be a much better place with more hearts like Victoria, **Woodall Foundation** thinks so.

## Concert Wish Granted

A special girl from Bryan's House wanted more than anything to get to see her favorite musical group, the Backstreet Boys.

She is 15 year old Magaly Rodriguez. Magaly is a client at Bryan's House, and uses a wheel chair to get around. This makes attending a packed concert a little difficult.

**Woodall Foundation** was able to secure 2 tickets for Magaly and her mom with special access seating.

*"I screamed and sang all night, I had such a good time, thank you"*
