

Martin Woodall to Chair Code Red Caper

Woodall Foundation is excited to announce that this years Bryan's House annual Code Red Caper will be held at the Frontiers of Flight Museum on Sunday May 7th. Foundation Chairman Martin Woodall has accepted the nomination as honorary chair for this years Code Red Caper event.

As in previous years, Woodall Foundation will be underwriting the cost of the limos thus allowing Bryan's House to use more of their event proceeds where they are most needed, on the children. Team limos start at \$1,000 and go up to \$5,000 allowing 8 members to participate in a city wide scavenger hunt and the awards banquet complete with silent auction items and musical entertainment.

Anyone wishing to participate in this special event can contact Sandra Watts at 214-559-3946 for more information, or register online at www.bryanshouse.org.

Help make a difference in the lives of the children at Bryan's House and have a blast doing it.
