

Woodall Foundation "Supporter Spotlight" Randy Johnson

Randy and Brooke Johnson presented Martin Woodall and Adam Carriker with a check for \$10,000 to support the Woodall Foundation

The Woodall Foundation is committed to *"building a brighter future for kids"* in our community. These good deeds would not be possible without our network of friends and supporters. On behalf of our board members and beneficiaries, we would like to recognize Randy Johnson and his daughter, Brooke, for being one of our largest contributors in 2012. Randy owns Johnson Equipment Company in Dallas (www.jequip.com) and supplies the safest, most reliable dock and door products available. Join Randy and Brooke, and make a difference.
