

Woodall Foundation Tours New Cancer Support Facility

Last summer the **Cancer Support Community** joined Texas Health Resources and broke ground on a new 49,000 square-foot comprehensive cancer care center on the Dallas campus of the Presbyterian Hospital. The center will provide patients with clinical services including chemotherapy, radiation, imaging, a teaching kitchen to provide dietary education and a pharmacy. The Cancer Support Community will also call this new center home and offer expanded social and emotional support services, a children's program, educational seminars and lectures, along with other activities and social events for anyone impacted by cancer. Martin and Adam were recently given a "hard hat" tour of the center which is set to open just in time for the holidays. This alliance is by no means exclusive, and patients being treated at facilities other than THR are welcome to take advantage of the services offered at all Cancer Support Community locations. For more information please visit www.cancersupporttexas.org.

Dallas Lighthouse for the Blind Receives Concert Tickets

Paul McCartney performing at the American Airlines Center in Dallas

On October 13th Paul McCartney made his first trip to Dallas since the summer of 2009 performing to a sold out crowd at the American Airlines Center. This amazing show featured songs spanning from Paul's entire popular music catalog over the last 50 years. In attendance at the show, was a special group from the **Dallas Lighthouse for the Blind** made possible by a connection between Paul McCartney's team and the Woodall Foundation. The Dallas Lighthouse focuses on improving and enhancing the lives and opportunities for individuals with visual impairments in North Texas, and we were happy to make this connection.

"Supporter Spotlight": Julie Hoang and Fit 180 Sign on to Be Repeat Monthly Credit Card Donor

Julie and her husband, Shane,
with their daughter Ellis

Julie Hoang has been a longtime friend and supporter of the Woodall Foundation and has recently signed up to be the first repeat monthly credit card donor through www.woodallfoundation.com. Julie operates Fit 180, a local personal training studio specializing in private lessons designed to help people achieve their fitness goals. Fit 180 offers a variety of services at its three Dallas locations. Stop by for a consultation or visit www.fit180.com for more information. Also join Julie and her commitment to *"building a brighter future for kids"* by becoming a repeat monthly credit card donor. Just follow the "monthly giving" option on the Woodall Foundation "donate" page. Thanks Julie!

CSC's Rock the Red Door

The Cancer Support Community held its annual "Rock the Red Door" concert featuring the Emerald City Band at the Kessler Theater in Oak Cliff on October 24th. This event helped raise funds and awareness for people and their families impacted by cancer. Given the season those in attendance were encouraged to dress in costume for this Halloween themed party. Guests also help contribute by bidding on silent auction items.

ATC's Round UP for Autism

The Autism Treatment Center held its annual Round UP for Autism event featuring a parade and celebrity rodeo in the Fort Worth Stockyards on September 26th followed by the Pegasus Ball at the Fairmont Hotel in Dallas on September 27th. This event not only helped raise money for the Autism Treatment Center's daily operations but it also helped expand their services to bring happiness and fulfillment by improving the quality of life for people with autism.
