The Woodall Foundation was happy to finish 2014 by awarding our beneficiaries with an end of the year grant. Each organization was asked to submit a detailed proposal of how they would benefit from a \$15,000 grant. The **Autism Treatment Center** requested funds to purchase a new handicap-outfitted van for use at a new group home opening this spring. Only half of **Bryan's House** classrooms had computers, so they needed underwriting to equip the rest of their classrooms with new desktop computers and iPads. The **Cancer Support Community** just moved into their new clubhouse and were in need of furniture and technology equipment for the Noogieland classroom. The **Texas Discovery Gardens** needed funding to complete the Woodall Foundation Library containing books for kids and educators as well as hands on activities. On behalf of Martin Woodall and the Foundation board members, we were excited to inform all the beneficiaries that their proposals had been approved and the checks would be awarded at a ceremony at the **Bikram Yoga** studio in the West Village. The Woodall Foundation would like to thank all its friends who donated throughout the year and helped make these grants possible. Thank you for your continued support!

## WF Continuing Support of the Sandler-Kenner Foundation

Woodall Foundation Board members gathered for a photo with Matt Thompson of the Sandler-Kenner Cancer Foundation. The foundation mission is to raise funds and awareness for pancreatic cancer, as well as provide support for patients with all types of cancer in the North Texas area. The Woodall Foundation was pleased to award an additional \$5,000 grant to the Sandler-Kenner Foundation to expand its trial at the Mayo Clinic aimed at defining a strategy for early detection of pancreatic cancer.

## ATC Artwork on Display at The Fairmont Hotel

Exceptional paintings created by the students at the Autism Treatment Center were on display at The Fairmont Hotel in Dallas as part of its "Christmas of Hope" exhibit. The paintings inspired by "The Twelve Days of Christmas" included images from the Dallas Arboretum and Botanical Gardens holiday exhibits.
