

Bryan's House 4th annual W.F. sponsored circus day

Martin, Kumba and Helen enjoy the 4th annual Bryan's House circus event

The Woodall Foundation was ecstatic in July to make its fourth annual trip to the "Greatest Show on Earth" with children from Bryan's House. For many of the children, as well as adults, it was their first trip to the circus. This marks the fourth year in which Woodall Foundation beneficiaries have attended the circus.

Circus letters of thanks.....

Thank you for the great tickets to attend the Ringling Bros. & Barnum & Bailey Circus. It was great! Both of my children really enjoyed the event, as did I. The evening was special for all of us.

Thank you,
Lisa, Ashley, & Zachary

Thank you for the tickets to the circus. We enjoyed the view, and had a wonderful time. It was so nice to see my kids take in the magic of the circus, forgetting their troubles and worries for a while.

Thank you.
Sincerely,
Paula Smith

The Woodall Foundation
Thank you so much for the circus tickets for our family! Not only did we get to enjoy the circus itself - we did so in luxury!

The financial strain of medical bills, due to my daughter's treatment, are such that sometimes the "extras" are deleted.

Rylee, 3 1/2 enjoyed the tigers & horses - my son Josef 5 1/2 thought the motorcycles were "WAY COOL!" Our family truly enjoyed the evening.

Your generosity is greatly appreciated not only for the circus tickets but for all you do for Gilda's Club.

Thank you
Boye, Melanie, Josef & Rylee Cisneros

"giving is a way of living"

Dear Martin,
Thank you for providing such a memorable experience for these families. They can all use some fun and excitement in their lives! Gilda's Club appreciates all that you do for our members and for us!

Ken Bonzon & Phi Nguyen mend Bryan's House computers

Recently Bryan's House needed some help ironing out some "bugs" in the computer system used for their Techno Teach program. Mavericks IT Director Ken Bonzon and Phi Nguyen headed down to see what they could find. After a whole day of reconfiguration, they were able to "exterminate" all glitches and brought Techno Teach up and running again. Thanks guys!
