Super Sports Day at Gilda's Club

Recently the Woodall Foundation was asked to participate in a "Super Sports Day" for the kids at Gilda's Club. The 2 hour event promoted health, fitness, and teamwork, not only on the field of competition, but also in the fight against cancer.

As a bonus, each child in attendance received their own Woodall Foundation logo basketball and was coached by several volunteers in various dribbling and passing drills. Due to the success of this event, Gilda's Club has planned a similar function for its teenage members for Saturday, July 29 at Reverchon Park. If you would like a Woodall Foundation basketball for a deserving child, please email Adam Carriker at adamcarriker@woodallfoundation.com

Bryan's House Code Red Caper: Another Success at the Frontiers of Flight Museum

On Sunday, May 7, Bryan's House held its 5th annual Code Red Caper at the Frontiers of Flight Museum located at 6911 Lemon Avenue. Over thirty teams participated in the city wide limousine scavenger hunt centered around a "transportation" theme.

Once again Code Red Caper honorary chairperson, Martin Woodall, gladly donated the expense for the limousines used in this year's scavenger hunt. The Woodall Foundation also sponsored its own team. Our foundation's limo team did not fair well in the competition, however, all those aboard had a great time. In addition to helping plan the event, the Woodall Foundation secured several auction items that proved to be very beneficial in increasing the proceeds generated at this year's Code Red Caper. The Lance Armstrong autographed jersey, the Vince Young autographed football, the 4 floor seats to a Dallas Mavericks' basketball game, and the Avid Golfer golf passbooks good for several rounds of free golf were all a huge success in the live auction. These featured items collected by the foundation raised over \$3800 in donations. To see pictures from this year's Code Red Caper as well as view answers to this year's clues, please go to www.bryanshouse.org.

Woodall Foundation and Dallas National Golf Club team up

Have you ever wanted to play a round of golf at one of Dallas' most exclusive golf courses? Now you can by making a donation to help *build a brighter future for kids*.

Dallas National Golf Club has joined forces with the Woodall Foundation to offer this never before possible golf package.

Woodall Foundation sponsored foursomes can play 18 holes of golf at this prestigious course with its hilly terrain, uncharacteristic of most other area courses, during their weekday schedule (Monday, Wednesday, or Thursday). For details on this special opportunity, email Adam Carriker at adamcarriker@woodallfoundation.com.

Fundraiser at O Bar

On Thursday, April 20, the Woodall Foundation hosted a charity fundraiser at O BAR, located at 1602-B Main Street in downtown Dallas. The inclement weather did not deter our many supporters. Martin Woodall was gracious enough to donate 3 pairs of tickets for a Dallas Mavericks' playoff game at the American Airlines Center as raffle prizes. In addition to O Bar, the Woodall Foundation also thanks Grey Goose Vodka for donating the refreshments served at the event. Be on the look out for the next Woodall Foundation happy hour fundraiser coming soon...

Champions on Ice Tickets go to well deserving staff members

The Woodall Foundation recently thanked the hard working staff members at Bryan's House and Gilda's Club for all their dedication to the kids. Six tickets were given to the staff members at each organization for the 2006 John Hancock Champions on Ice tour at the American Airlines Center on July 8.

The show featured the top ice skaters in the world, many of whom were fresh off their performances from the 2006 Winter Olympic Games in Torino, Italy.

Gilda's Club Wish-List

Gilda's Club is in need of snack foods, beverages, paper and plastic products, scrapbooking supplies, general office supplies, children's games, old cell phones, printer cartridges and volunteers. Please contact Gilda's Club at (214) 219-8877.
